

# Gingerbread House Scavenger Hunt Bingo!

Due to the pandemic, The Family Place is not able to hold our usual in-person Gingerbread Festival.

However, we want to provide families with fun ways to participate! Part of the festival every year involves community members making and donating gingerbread houses to be displayed. This year, we have scattered the houses throughout the Upper Valley! Please make sure to practice all social distancing and safety rules for any location you visit.

We have created this Scavenger Hunt Bingo for you and your family to explore your local towns and to keep the magic of the festival alive. This gingerbread-themed scavenger hunt bingo is tied to the location of the houses that are placed in various businesses around the Upper Valley. Families and individuals can work together (or alone!) to find clues specific to certain houses or locations.

Once a person or family gets a BINGO!, you can send your bingo and scavenger hunt answers to [gingerbread@the-family-place.org](mailto:gingerbread@the-family-place.org) or by mail to The Family Place.

Certificates of participation will be sent to those who turn in their sheets!

Have fun and be safe!

# VT Gingerbread House

## Scavenger Hunt Bingo!

Name: \_\_\_\_\_
